

Verdicchio Castelli di Jesi DOC

Verdicchio dei Castelli di Jesi

Of the white wines from the Marche region, Verdicchio is traditionally the most noble, known and loved for its unique characteristics.

Grapes

Verdicchio

Type of Soil

Sandy tuft with Northeast and Northwest exposure and an elevation of 250m

Pruning System

Inverted counter-espalier

Wine-making

The wine is fermented at a constant temperature over 2 weeks using selected yeasts, thanks to their excellent fermentation qualities.

To the Eye

Straw yellow

To the Nose

Delicate, floral and fruity

To the Taste

Rich of fresh fruit and white flowers with an aftertaste of sweet almond, slender and lively body, fairly good persistence

Santa Barbara
