

Rosso Piceno DOC

Stè

This wine is made from Sangiovese and Montepulciano grapes. The attentive and precise selection of the grapes is carried out in our vineyards and the wine is fermented in our cellars.

Grapes

Montepulciano e Sangiovese

Type of Soil

Medium density clayey soil with Southwest exposure

Pruning System

Cordon spur

Wine-making

The wine is fermented in stainless steel vats

To the Eye

Bright ruby red

To the Nose

Scents of red fruit and spices

To the Taste

Outstanding marasca cherry with a spicy aftertaste of white pepper, dry and persistent. Smooth tannins, almost imperceptible

Santa Barbara
